

PROFILE | RACHEL BARNES

Rachel manages the operational elements of the company and has over 20 years business experience working in large multinational businesses within supply chain, sales and marketing management. She is service oriented and comes to CS&R with her business acumen and a passion for construction. Her experience and involvement in commercial and residential refurbishment and renovations provides good support to the consultancy team.

Rachel's focus is on providing superior service to clients of Commercial Services and Reports.

Rachel has a Bachelor of Business Management Studies (Marketing) with First Class Honours from The University of Waikato.
